

Great Ormond Street Hospital for Children
NHS Foundation Trust

FUTURE PROOF
ELECTRONIC PATIENT RECORDS

If you are PI recruiting patients at GOSH you will have received, or will shortly receive, an email asking you to review all current enrolment data we have for your studies (This will be attached to the email in an excel sheet). This is to allow us to upload all the data into Epic. If you could please review this, complete the missing data and return to us by the 25th January it will ensure it is available for you in Epic at Go Live.

We realise this is extra work for everyone but we really appreciate your help and support in ensuring the system is the best it can be at Go Live.

Any queries please email epr.research@gosh.nhs.uk

All the latest information on the EPR Programme is always [available on GOSHWeb](#). And you can now sign up for your formal Epic system training via your [Learner Dashboard on GOLD](#).

NIHR Funding Opportunities

Research Council and Wellcome Trust funding Opportunities

Fellowship Opportunities

EU Funding Opportunities

BRC Funding Opportunities

NHS
National Institute for Health Research

[Public Health Research Programme—Researcher-led](#)

Includes a highlight notice for ‘Brain Tumours’

Deadline: 12 March 2019

[Science Committee Programme Awards](#)

Deadline: 21 February 2019

[Population Research Committee Programme Grant](#)

Deadline: 7 March 2019

A full list of CRUK funding opportunities can be found [here](#)

Please ensure you acknowledge the BRC in your publications. NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
