**Applications invited for Clinical Research Adoptions Committee Members**

The [Clinical Research Adoptions Committee](#) (CRAC) is an internal peer review committee that meets to review and endorse any clinical research projects taking place within Great Ormond Street Hospital (GOSH) that are not externally funded ('own-account projects'). The committee aims to ensure a high standard and quality of clinical research within GOSH.

This committee, currently chaired by Dr Owen Arthurs, sits monthly throughout the year (except August). It is composed of a combination of senior clinicians actively engaged in clinical research, psychologists, allied health professionals, academics, statistician, R&D support and lay members.

We are currently looking for new members to join the committee. All members of GOSH and UCL GOS ICH are invited to apply. We are particularly looking for members with experience in Hematology, Oncology, Pathology, Cardiology or Respiratory Medicine. An honorarium of £1,000 is made available to all members, proportional to meeting attendance.

For informal enquiries or more details about the role, please contact either Peter Coleman or Sarah Young ([Grants.Advice@gosh.nhs.uk](mailto:Grants.Advice@gosh.nhs.uk)), or Owen Arthurs ([owen.arthurs@gosh.nhs.uk](mailto:owen.arthurs@gosh.nhs.uk)) directly. To apply, please send a copy of your CV and a short covering letter of your experience and the expertise you can bring to the committee. Please send applications by e-mail to Sarah Young ([Sarah.Young@gosh.nhs.uk](mailto:Sarah.Young@gosh.nhs.uk)). **The deadline for applications is Friday 8 February 2019.**

**Introduction to Research Governance**

7 February 2019 11:00-12:00pm, Levinsky Room, ICH

For further information or to reserve your place, please contact

[Global Maternal and Neonatal Health](#)

**Deadline: 24 April 2019**

[Career Development Awards](#)

**Deadline: 26 March 2019**

Up to £250,000 available over a maximum of 3 years (5 years if part time)

[Seed Awards in Science](#)

**Deadline: 11 March 2019**

**Please note this scheme will close after this round**

[Small Grant Awards](#)

**Deadline: 28 April 2019**

Up to £10,000 available over a maximum of 1 year

[Efficacy and Mechanism Evaluation Programme—10 Year Impact Assessment](#)

**Deadline: 6 March 2019**

[Health Technology Assessment Programme—Researcher led](#)

**Deadline: 19 March 2019**

[Health Services and Delivery Research Programme—Researcher-led](#)

**Deadline: 25 April 2019**

[Foundation Fellowship](#)

**Deadline: 10 April 2019**

Funding available for up to 3 years

[Career Development Fellowship](#)

**Deadline: 10 April 2019**

Funding available for up to 5 years

[Project Grants](#)

**Deadline: 25 March 2019**

Up to €50,000 available over a maximum of 3 years

[Project Grants](#)

**Deadline: 30 April 2019**

Up to £10,000 available per project

**Deadline: 15 March 2019**

[Postdoctoral Fellowship](#)

Up to \$50,000 available over a maximum of 2 years

[Early Stage Investigator Prize](#)

Up to \$100,000 available over a maximum of 2 years

[Experienced Principle Investigator Prize](#)

Up to \$200,000 available over a maximum of 3 years

**Please ensure you acknowledge the BRC in your publications.** NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
